

REPORTING FRUIT TREES

Whether the apple or other fruit trees are in your garden or in others', on private land or public, please let us know about them using the form below.

Please be as specific as possible (for example, if you right-click the location on Google Maps, and click "What's here?" the longitude and latitude appear in the search box, for example 50.880388, 0.008489).

You can complete and save this form in Adobe Reader, then print and mail it to

Ridgwell Press Ltd

Lewes Fruit Trees

PO Box 202

Lewes BN7 9GT

or email it to mark@tasteandflavour.co.uk

VOLUNTEERS

A number of fruit trees shed their fruit onto pavements, on other public land and in gardens. The fruit rots on the ground. Armed with the information from this year's mapping exercise, in 2013 we'll begin to minimize this waste by harvesting this fruit and distributing it around town. Become a volunteer and get involved in whatever way you can: scouting, harvesting, distributing, processing or organising. To become a volunteer check the box below and you will be added to our mailing list

I'd like to volunteer for the fruit tree project

I agree to Octoberfeast contacting me regarding volunteering
